

Meyer Lemon Limoncello

📅 Sep 19, 2023

- **20 Meyer lemons**
- **1.5 Liters of Vodka** (*100 proof preferred, but 80 proof will also work*)
- **4 cups water**
- **Sugar to taste** (*optional, start with 1 cup if desired*)

NOTE: *Homemade Limoncello continues to age and will reach peak flavor after about 40 days of resting post-mixing. If you can resist, it's worth the wait!*
